### FY 2005 Off to a Good Start in Iowa

Dear Lender:

Even though we've been under a continuing resolution for our program funding we are off to a great start in our new fiscal year. In the first six weeks we have had 83 7(a) loan and 19 504 loans approved. Nationally, our 7(a) lending activity is up 30% over the same period last year. This is particularly exciting in light of the uncertainty caused by changes in the fee structure and funding.

The fee structure under which the program reverted to on September 30<sup>th</sup> puts the 7(a) program at a zero subsidy making it self-supporting from lender and borrower fees. We hope we will be able to bring you an update in the near future on fees, funding level, and program authorities for this fiscal year.

To enhance our ability and that of our partners to be a valuable resource to small businesses in the state, we have - in cooperation with RENI Publishing Company - assembled a "Small Business Resource" guide as a tool for our partners, small business owners and entrepreneurs.

This 38 page guide in addition to providing SBA program and contact information is a resource for:

- Getting started in a business
- Local, state and federal business regulations
- Small Business Development Centers
- SCORE chapter contacts

- Women's Business Centers
- Government contracting
- Business related Web sites

We have also included in the guide our SBA award winning businesses for this past year and a listing of lenders who participated in our 7(a) and 504 programs in fiscal year 2003.

We offer this guide as a resource to you and your customers. If you would like a copy or several copies please contact Dave Lentell at (515) 284-4522 or by e-mail at [thomas.lentell@sba.gov](mailto:thomas.lentell@sba.gov). In Eastern Iowa, contact Diane Bieber at (319) 362-6405 ext. 200 or by e-mail at [diane.bieber@sba.gov](mailto:diane.bieber@sba.gov). We plan to produce this annually and look forward to any feedback or comments on how it can be improved.

The deadline for nominating our annual small business award winners is approaching. Please contact Dave Lentell for additional information on the process and the timetable. We want to recognize those individuals and businesses in the state that have made noteworthy contributions to the small business community. Let's not overlook any truly deserving individual or business. See page 3 for more details.

Sincerely,

Joseph M. Folsom  
District Director

# Recognizing our 504 Participant Lenders for FY 2004

In FY 2004, the Des Moines District Office, in conjunction with its Certified Development Company (CDC) partners, made 96 loans through the 504 Certified Development Company program in Iowa worth \$27.9 million. We'd like to thank these lenders who provided the participant loans in FY 2004 that made those 504 loans possible.

## SBA 504 Loan Program: A Valuable Lending Tool for Fixed Asset Financing

As we take time this month to thank our 504 participant lenders, it's also a good time to remind our lending partners of the benefits of the 504 program.

The program provides long-term fixed-rate financing to small businesses at favorable rates as a means to foster economic development and create or preserve jobs.

Lenders can mitigate credit risk (50 per cent LTV), make larger loans, retain commercial-account relationships while participating in long-term financing and sell their first mortgage portion on a very active secondary market - just to name a few of the benefits of the program.

The 504 program minimizes the equity required for the acquisition of real estate

or equipment. Most projects require only a 10 per cent equity injection from the borrower. However, start-up ventures or projects involving single purpose assets require an additional 5 percent injection. If the project involves both a start-up and a single purpose asset, the minimum equity contribution is 20 percent.

The SBA portion of the financing package is fully amortized over 20 years for real estate and 10 years for equipment. The interest rate is set at the time of debenture sale after completion of the project. Rates are fixed for the life of the loan and are generally below market rate. A typical 504 project includes:

- A loan secured with a senior lien position on project assets from a

private-sector lender covering up to 50 percent of the project cost;

- A loan secured with a junior lien on project assets from a Certified Development Company covering up to 40 percent of project costs; and
- The borrower's minimum equity injection, usually 10 per cent.

SBA 504 loans are administered by Certified Development Companies (CDC's). There are five CDC's located in Iowa and all are allowed to do business throughout the state. Call our office in Des Moines (515-284-4422) or Cedar Rapids (319-362-6405) for the location of a CDC near you.

## SBW 2005 Awards - Recognize Your Small Business Customers!

The SBA has begun its annual search for a successful small business person who will become Iowa's "Small Business Person of the Year" for 2005.

The SBA will be accepting nominations for state "Small Business Person of the Year" from now until December 3, 2004. Winners of the state competition compete for the national title which will be awarded during National Small Business Week ceremonies to be held during SBA Expo 2005 in Washington DC, which will be held April 23-25, 2005.

There are seven main criteria that each Small Business Person of the Year nomination will be judged on:

1. Staying power - a substantiated history as an established business.
2. Growth in number of employees - a benchmark to judge the impact of the business on the job market.

3. Increase in sales and/or unit volume - an indication of continued growth over the last five years.

4. Current and past financial reports - a substantiation of improved financial position of the business.

5. Innovativeness of product or service offered - an illustration of the creativity and imagination of the nominee.

6. Response to adversity - examples of problems faced in the nominee's business and the methods used to solve them.

7. Contributions to aid community-oriented projects - evidence of the use of his/her personal time and resources.

*Additional awards will be presented for:*

- Financial Services Champion of the Year
- Home-Based Business Champion of the Year
- Minority Small Business Champion of the Year

- Small Business Exporter of the Year
- SBA Young Entrepreneur of the Year
- Small Business Journalist of the Year
- Veteran Small Business Champion of the Year
- Women in Business Champion of the Year
- SBA Family-Owned Small Business of the Year

These awards are a perfect way to thank your customers, clients, community leaders and other organizations you work with in your community. They can also result in some *great* recognition for your lending institution.

All nominations must be received by the SBA no later than December 3, 2004. To obtain more information on completing a nomination package, contact the SBA in Des Moines at (515) 284-4522 or send an e-mail to [thomas.lentell@sba.gov](mailto:thomas.lentell@sba.gov).
